SUMMARY

I am currently pursuing an undergraduate degree in Bachelors of Science in Information Technology at Polytechnic University of the Philippines Quezon City Campus. I am interested in utilizing my technical and analytical skills as a proactive student in a professional environment. I am effective in collaborative settings, strong in expressing ideas clearly in both verbally and in writing (English and Filipino), and a quick learner in software environments.

PROJECTS & EXPERIENCE

Web Development

*Inventory and Vendor Management System – **Backend Developer***

- Developed backend functionalities for a web-based Inventory Management System integrated with a Vendor Management System.
- Used Python (FastAPI) and MSSQL with a React-based frontend.

*Dental Appointment Scheduling System – **Web Developer***

- Contributed to the development of a scheduling system for a dental clinic.
- Built with C# (ASP.NET MVC Core), MSSQL, and Bootstrap.

*Apartment Management System – **Developer***

- Developed a desktop-based apartment management system.
- Built using Python, SQLite, and Tkinter for the GUI.

Mobile Development

- *GenKind* – Mobile App Development using FlutterFlow (low-code platform) with Dart and Firebase.
- The app aims to generate random acts of kindness in support of several SDG Goals including SDG 10: Reduced Inequalities, SDG 3: Good Health and Well-Being, and SDG 16: Peace, Justice, and Strong Institutions.

EDUCATION

Bachelor of Science in Information Technology

2022 - Present

Polytechnic University of the Philippines QC

- Consistent Academic Excellence Awardee (President's List)
- DOST-JLSS Scholar

Science, Technology, Engineering, and Mathematics (STEM)

2020-2022

Our Lady of Fatima University

- Graduated with High Honors

TECHNICAL SKILLS

- **Programming Languages:** Python (Django, FastAPI, Tkinter), C# (ASP.NET MVC, .NET with WinForms), JavaScript, Dart (FlutterFlow)
- **Databases:** MSSQL, MySQL, SQLite
- **Version Control & Code Editing:** Git, GitHub, Visual Studio Community, VS Code
- **Productivity Tools:** Microsoft Office Suite, Google Suite

SOFT SKILLS

- Teamwork and collaboration
- Strong written and verbal communication (English and Filipino)
- Adaptability to new technologies and work environments
- Analytical and problem-solving skills
